APPOINTMENT:- DATE: DAY: TIME:

TEST INFORMATION

ECG, 12 LEAD REPORTED

Duration: 5-10 minutes
Preparation: No preparation is necessary.

Appointment not required

24HR HOLTER MONITOR

Duration: The monitor takes 20 minutes to fit.
Appointments are only available in the morning.
The monitor is worn for 24hrs, then we have you return the next morning for a short visit to have the monitor removed.

Preparation: Clean, dry skin is required.
You cannot shower whilst you are wearing the monitor for the full 24 hours, so it is suggested that you shower just prior to the fitting.

Appointment required

ECHOCARDIOGRAM

Duration: 40 minutes
Preparation: No preparation is necessary.

Appointment required

EXERCISE STRESS TEST

Duration: 40 minutes
Preparation: Do not drink coffee or smoke 3 hours prior to your test.
Wear clothing and footwear suitable for walking.
Bring a list of any medications that you are on.

Appointment required
